## ***Reflections on Peace Efforts in the Middle East***

Members of various faith groups present in the Middle East will come together to share “news” that’s often ignored: activities and movements of genuine goodwill in the region that create respect and co-operation between communities.

Sonya Gillani (Muslim), Elaine McCreary (Bahá’í), Lucy Reid (Christian), and Louis Sutker (Jewish), will tell the stories that really count: the ones that contain the seeds of peace. The meeting will begin with inspiring, unifying prayers and readings from the Sacred Scriptures of each Faith.
